Proposed Projects

1. Prepare Economic Development Strategies for the Hamlets in the WRA (Woodlawn, Athol Springs/Locksley Park, Wanakah/Mt. Vernon)
2. Design and Install Gateway Features in the Woodlawn Hamlet
3. Design and Construct Multi-Use Path from Athol Springs to Woodlawn Beach State Park
4. Implement Waterfront Access Recommendations from the GoBike Buffalo Study
5. Foster Brook Flood Relief Study
6. Repair and Improve Jetty at Town Park and Beach
7. Traffic Calming Study for NYS Route 5 (Lakeshore Road)
8. Study the Need for Further Improvements to the Lake Erie Seaway Trail Visitor Center
9. Athol Springs and Hoover Beach Shoreline Protection and Recreational Improvements
10. Improve Recognition of Lakeshore and Old Lakeshore Roads as Designated Segments of the Seaway Trail and National Scenic Byway
11. Evaluate Erosion Risk and Shoreline Protection along Lake Erie
12. Eighteenmile Creek Greenway Trail Alternatives
13. Establish a Trail Connection between the Village of Hamburg, the Town of Hamburg Golf Course, and Taylor Road Park
14. Taylor Road Park Master Plan
15. Evaluate and Address Flooding Issues at the Hamburg Golf Course
16. Install Dark Sky Lighting at all Town-owned Facilities in the WRA
17. Implement Best Management Practices to Reduce the Discharge of Point and Non-Point Source Pollutants into Local Surface Waters
18. Educate the Public on Proper Septic System Maintenance
19. Establish Pollinator Gardens and Corridors
20. Reduce the Pressure of Invasive Species Growth on Public Lands in the WRA
21. Reduce Use of Pesticides and Fertilizers
